SHORTHORNS -- Best In Every Weigh!

ANNOUNCEMENT

The officers and members of the Montana Shorthorn Breeders' Association invite you to attend this sale if you are interested in good Shorthorn cattle to strengthen your herd or as foundation material. The cattle being shown and sold have been carefully selected by our members and represent the best from the herds consigning.

The Officers of the Association and the consignors to this annual spring sale will be glad to accommodate you and cooperate with you so that shipments can be made conveniently. Please accept this catalog as our invitation to be with us on March 11th and 12th.

SHOW

The show will be held Friday afternoon, March 11th at 1 p. m., at the Billings Livestock Commission Company pavilion with Gilbert Elken, Jr., of the Eldak Shorthorn Farms at Mayville, N. D. doing the judging. Consignors will compete for ribbons and honor of placing.

Sawyer Stores, Inc., and Occident Feeds of Billings are again giving two plaques, one for the Grand Champion bull and one for the Grand Champion female. These become the permanent property of the consignor winning them twice, not necessarily in succession.

SALE

The sale will be held in the comfortably-heated Billings Livestock Commission Company pavilion opening promptly at 12:30 p. m., Saturday, March 12th. Health certificates approved by the state and federal governments will be furnished.

HENRY HOLECEK, Sale Manager, Boyd, Mont.

ANNUAL SPRING MEETING

The Annual Spring Get-to-Gether Meeting and Banquet of the Montana Shorthorn Breeders' Association will be held at 6:30 p. m., March 11th at the Commercial Club. An interesting program has been arranged for and the meeting will be followed by the regular annual meeting of the association. The Get-to-Gether is open to all breeders, buyers, Shorthorn enthusiasts and their families.

Persons wishing to submit bids on sale animals may send their bids to Henry Holecek, Boyd, Mont., sale manager; Clinton K. Tomson, National Secretary American Aberdeen-Angus Breeders' Association, or Bill Jones, Western Livestock Reporter.

1. Shorthorns this year enjoyed their greatest year in steer triumphs in interbreed competition throughout the nation.
2. Demand for Shorthorn bulls for cross-breeding has been the greatest in modern history topped off by the highest record in bull sale averages in 30 years at the International Shorthorn Congress sale.
3. The average price for Shorthorns at auction in 1947 went up 24 percent.

GUARANTEE APPROVED BY AMERICAN SHORTHORN BREEDERS' ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by the side of the dam as one lot and heifers under 16 months of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.
4. Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser but the seller may, if he desires, have the animal returned for a retrial for a period not exceeding six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without protest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws of the State or County into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made, except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian deputed by the State Veterinarian, who is co-operating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction, except that the purchaser shall agree to accept a substitute. Blood test will be made when it is required by the destination State or County.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after bid off.
7. **TERMS:** Cash. All settlements to be made with the representatives of the Montana Shorthorn Breeders' Association immediately after the close of the sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and purchaser of each lot.
8. Sale Manager Henry Holecek and the officers of the Montana Shorthorn Association assume no responsibility for liability incurred in this show or sale. While every precaution will be taken for buyers' and spectators' safety, the sale manager and directors can assume no responsibility.
9. **SHIPPING ARRANGEMENT:** It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bids are off, but every precaution will be taken to see that animals arrive in sound and healthy condition. **BE SURE TO LEAVE DEFINITE INSTRUCTIONS WITH THE SALE CLERK.**

FREE FREIGHT OFFER

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment to be made only by rail and must be consigned to a point more than 300 miles from sale location.

SHOW CLASSIFICATION

The cattle will be judged for ribbons and honor of placings, with the three following plaques to be awarded:

SAWYER STORES, INC., plaque for the Grand Champion bull. Awarded annually by Sawyer Stores, Inc., of Billings, Montana.

OCCIDENT FEEDS plaque for the Grand Champion female. Awarded annually by Occident Feeds of Billings, Montana.

CARL GRIEF plaque awarded to the Grand Champion Get-of-Sire. This plaque was awarded for the first time in 1948 by our former show judge and former national association director, of Uniontown, Washington.

These plaques must be won twice by the same consignor before becoming his permanent possession. No consignor may win more than two premiums in any one class.

MISCO FEEDS AWARD. The Misco Feeds division of the Missoula Mercantile Company will award 500 pounds of Misco Finishing Pellets for the Reserve Champion bull.
